Call For Abstracts

National Health Innovation and Research Symposium
3 - 4 August 2017 Opal Cove Resort Coffs Harbour
Call For Abstracts Now Open

The Mid North Coast Local Health District (MNCLHD) Symposium organising committee invites health professionals, students, researchers, executives and managers to submit an abstract for oral and/or e-Poster presentations.
Conference Themes

The Symposium will showcase innovation and research projects, programs and services to a national audience with presentations organised into streams corresponding to the following themes and focus areas:

**Digital Health:**
- Digital technologies transforming and improving healthcare outcomes
- Accessing your personal health information
- Utilising everyday technologies in a health context

**The Age of the Customer:**
- Collaboration with NGOs
- Patient Centred Care
- Patient Co-Design to improve the consumer experience

**Distributed Model of Health Care Delivery:**
- Primary Health Care
- Care of the Dying
- How to use data to measure and add value?
Presentations and e-Poster Competition

Concurrent Session Oral Presentations:
Presentations are 15 minute sessions.

e-Poster Competition:
The e-Poster competition provides an opportunity for you to showcase your innovative projects and research to Symposium delegates and e-Delegates.

Electronic posters will be displayed during the breaks of the Symposium on large flat screen monitors located throughout the exhibition and catering areas and to e-Delegates via the Symposium website. e-Poster guidelines are available on the Symposium website: www.mnclhdevents.com.au
Abstracts close midnight Monday 12 June 2017
(Successful authors will be notified Friday 16 June 2017).
